In claim 27 line 2, delete "claim 12" and insert --claim 25--.

The following is an examiner's statement of reasons for allowance:

It is well known in the art to deposit fullerene polymer films as noted in Kusunoki et al. (6,471,929). It is also well known to utilize fullerene polymer compositions in coating processes as indicated in Khudyakov et al. (6,621,970) and Baughman et al. (6,555,945). In addition, the use of fullerene polymers are well known as indicated in Chiang et al. (5,635,581) and Thomann et al. (5,281,653). Lastly, it is well known to utilize fullerene films on carbon films as noted in Marchetti et al. (5,277,996). However, none of the references teach forming a carbonaceous thin film on a smooth surface followed by a fullerene polymer film.
